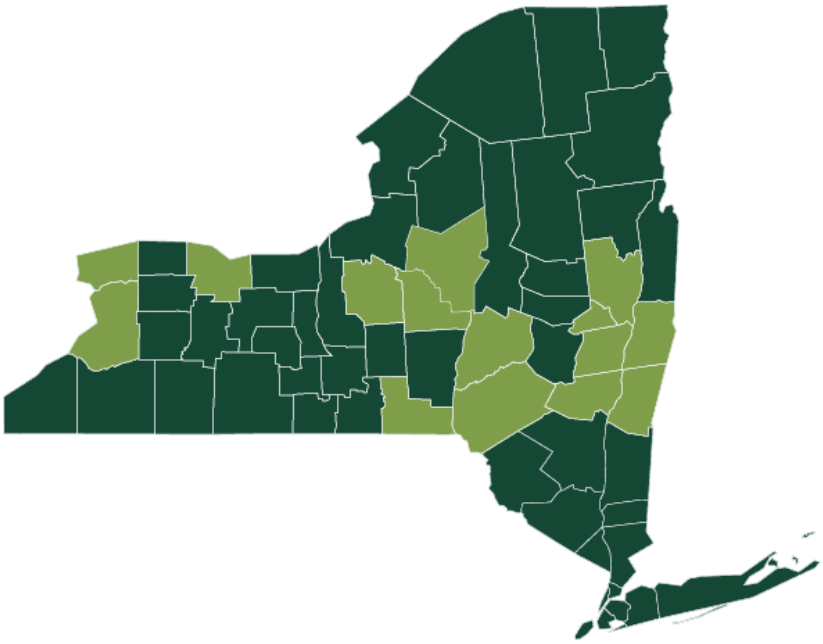
Introduction

This directory provides a list of Nascentia Health Plus's network providers.

We have network providers for all services covered under original Medicare. You may still receive covered services from out-of-network providers who do not have a signed contract with our plan, as long as those providers agree to accept our plan's terms and conditions of payment. You may visit our website at: nascentiahealthplus.org for more information.



The network providers listed in this directory have agreed to provide you with your healthcare services. You may go to any of our network providers listed in this directory; however some services may require a referral.

Out-of-network providers are under no obligation to treat Nascentia Health Plus enrollees, except in emergencies. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call our Member Service Department at 1-888-477-0090 (TTY users should call 711), 8am-8pm, Mon-Fri (April-Sept), 8am-8pm, 7 days a week (Oct-March). You may also refer to your Evidence of Coverage (EOC) for more information, including the cost sharing that applies to out-of-network services.

You must use network providers except in emergency or urgent care situations. If you obtain routine care from out-of-network providers, neither Medicare nor Nascentia Health Plus will be responsible for the costs.
